FACULTY AND EQUIPMENT

Miss Irene E. Smith, a senior, is this year filling the place of teachers' assistant in the School.

Miss Mary O. White is again conducting Section II of the Fiction Seminar. There are fourteen students in this Section, which meets in Room 213.

The Principal and Miss Van Valkenburgh attended the meeting of the New York Library Association September 6 to 13, at Cornell University, Ithaca, New York. As Chairman of the Committee on Prison libraries, Miss Plummer prepared and read a report on the work done in the State in connection with Prison and reformatory libraries during the past year.

On June 26, the Faculty, who were still at the School, had the pleasure of a visit from Mme. Haffkin-Hamburger, of Shaniawsky University, Moscow, immediately after her landing in New York. She has for two or three years been conducting short courses in library management at the University, for librarians already in the service, and 357, from all parts of Russia and even from Bulgaria, attended the course the first year. The limit has now been set at 250 students. Mme. Haffkin-Hamburger was here to attend the sessions of the Summer library school at Albany, and remained to attend the State meeting at Ithaca, where she gave an illustrated lecture on Russian libraries.

Mr. W. B. Gamble, of the Division of Technology, has presented to the School a large photograph of Justin Winsor, which has been framed for room 68. Several framed photographs of celebrated librarians, with some charts for use in the Municipal Reference Library course, added to the Museum case, help to furnish and decorate this room. The School hopes to add other cases and photographs.
